Director

Acknowledgement

- With profound respect and heartfelt gratitude, we extend our sincerest thanks to the Almighty for His blessings, our parents for their unwavering support, and all those who guided and inspired us throughout our journey. Their encouragement and wisdom have been instrumental in helping us successfully complete our project at **Beauty & Cosmetics**.
- We owe special appreciation to **Dr. Mona Shah**, faculty member of **J.G College of Computer Application**, for her invaluable guidance and mentorship. Her insights, encouragement, and constant support have been pivotal in shaping our project.
- We would like to express our sincere thanks to the esteemed faculty members and lab instructors, whose assistance and expertise have been invaluable throughout this endeavor. Their encouragement and willingness to clarify our doubts have played a crucial role in the successful completion of our project.

Admin Interface

Login

<http://127.0.0.1:8000/admin/login/>

The screenshot shows the Django administration login interface. At the top, a dark blue header bar contains the text "Django administration" in a light green font, followed by a small gear icon for settings. Below the header, the form is centered on a light gray background. It features two input fields: "Email:" with the value "admin@gmail.com" and "Password:" with masked characters "....". A blue "Log in" button is positioned below the password field.

Login validation

<http://127.0.0.1:8000/login/>

A screenshot of a web browser displaying a login page. The page has a solid blue background. In the center, there is a white rounded rectangle containing the title "Login" in bold black text. Below the title, there are two input fields: "Email" and "Password". The "Email" field is empty, and the "Password" field is also empty. To the right of the "Password" field is a "Login" button. Below the "Password" field, there is a link that says "Don't have an account?" followed by a blue "Register" link.

<http://127.0.0.1:8000/login/>

A screenshot of the same login page, but now the input fields are filled. The "Email" field contains the text "jenil12@gmail.com". The "Password" field contains a series of dots, indicating a masked password. The "Login" button is still present to the right of the password field. The "Don't have an account?" link and the blue "Register" link are still at the bottom.

COCONUT & SQUALANE NUTRI-SHINE HAIR SERUM

Brand: Plum
Unit: 25 ml

Price : ₹450.00

DESCRIPTION:

This versatile serum is crafted for all hair types seeking intense shine and nourishment. Powered by a blend of high-performing ingredients like coconut oil, almond oil, and squalane, it instantly tames frizz, smooths each strand, and delivers a clinically proven 22 x shine boost for a radiant, glossy finish. Get instant shine and irresistible softness with each use - thanks to squalane's deep hydration, coconut oil's smoothing effects, and almond oil nourishing properties. Embrace every day as a great hair day with shine, softness, and smart frizz control in one bottle!

Limitations

- The shop is not open 24*7,limiting all customer access to products.
- The owner must attend to every customer in the shop,which increase the workload.
- The shop can only attract customer from the local area,limiting potential sales.
- A shopkeeper can only give an item to one customer at a time ,so other customers have to wait.
- Lack of security.

Future Enhancement

- Customized makeup like lipsticks and foundations printed on demand.
- Wider shade ranges and products tailored for all skin tones, types and genders.
- Culturally diverse product offerings and marketing.
- Nail art and false lashes designed using 3D printing.

Conclusion

- We have successfully implemented the website for Beauty and cosmetics.
- Perfect solution in beauty and cosmetics is a website that can be useful for booking different types of services.
- User can view and book different services in different category.
- Also have online payment option.
- So , this is a new generation website to quickly book the services.
- We have been successful in our attempt to take care of the need of both customer as well as administrator.
